THE FOLLOWING DETAILS ARE REQUIRED FOR ACCURATE QUOTATION AND/OR PART PROCESSING:

1. Send CAD detail to sales@laserxpress.co.za. This detail must be in a *.DXF format.
2. All drawings must be to scale 1:1 and units set as millimeters.
3. A quotation will be sent to the customer with an approval drawing.
4. If an approval drawing is not returned with a proof of payment the process is halted.
5. If the quotation is accepted, the customer will be invoiced. (unless they have an **approved** account)
6. A signature approved drawing must accompany the proof of payment. This is to check the drawing scale and details.
7. Please supply a Proof of payment to ensure commencement of work.
8. Allow 3 – 10 work days for collection.

Signage will no longer be cut by Laserxpress.
NO drawings will be done "inhouse" by Laserxpress.

For any queries please do not hesitate to contact us.
